

## Hot Water Heater Agreement

(available with any of the oil heating plans only)

This plan includes an annual tune-up, coverage for a maximum of one (1) hour of labor during normal business hours only. If the service performed during normal business hours exceeds one hour, the additional time will be billed at our standard hourly rate. If the time of service is outside our normal business hours it will be billed at our standard hourly rate. If any of the parts listed below fail during normal business hours they will be replaced free of charge.

Burner motor (up to ¼)	Single stage fuel pump	Ignition transformer
Cad cell relay	Fuel pump strainer	Burner coupling
Nozzle line	Fire valve	Fire valve hand wheel
End cone	Nozzle adapter	Burner gasket
Standard oil filter	Burner fan	Burner tube (Beckett Only)
Service switch		

## Silver Service Plan

The Silver Plan includes an annual tune-up to increase your system's performance and longevity, with up to two hours of labor for parts covered during normal business hour and priority scheduling. If the service must be performed outside of normal business hours, the labor is billed at our normal standard hourly rate. If any of the parts (listed below) fail during normal business hours, those parts will be replaced free of charge.

Burner motor (up to ¼)	Single stage fuel pump	Ignition transformer
Fuel pump strainer	Electrode assembly	Digital thermostat
Complete cad cell eye	Fan limit control	Single circulator relay
Blower pulleys	Standard air filters (up to 2)	Standard smoke pipe (up to 7")
Service switch	Pressure control	Burner coupling
Nozzle line	Delayed oil valve	Fire valve
Air tube	Retention head	Nozzle adapter
Low voltage transformer	1-Zone valve motor	Blower belts
Standard oil filter	Cad cell relay	1-Zone Damper motor
Burner fan wheel	Gauge glass w/nuts & washers	Burner gasket
